OPEN CALLS

The screenshot shows a web browser window with the URL providenceartclub.org. The page header features the Providence Art Club logo and the tagline "THE ART OF Camaraderie". A navigation menu includes links for Home, About, Galleries, Find Events, Membership, Contact Us, and Member Menu. The main content area is titled "OPEN CALLS" and "2017 EXHIBITION OPPORTUNITIES".

The Art Committee is pleased to announce two exciting exhibition opportunities in 2017:

In February 2017, the theme for the annual Members' Exhibition will be *Making Our Mark*. This exhibition will celebrate the unique founding of the Art Club as the first such organization to be co-founded by men and women. The theme of this show is a celebration of the influential women artists who have helped to shape the Club (or you personally) as an artist. Works in all media will be accepted with a size restriction of 42" including the frame. We are thrilled to welcome Althea Ruoppo, Curatorial Assistant in the Department of Contemporary Art and Special Projects at the renowned Museum of Fine Arts in Houston Texas as our judge for this show.

In April 2017, the annual Open Juried Show will have the theme *Making Your Mark* and will be open to women artists from across the United States. We are excited to announce that this exhibition will be juried by Kathryn Wat, Curator of the National Museum of Women in the Arts in Washington, DC, the only museum in the nation dedicated to the achievements of women in the arts. Works in all media will be accepted.

Both of these exhibitions are part of a special three month series of shows and programs jointly named *Making Marks*, which will take place February-April 2017. February will be our Members' Show. March will be a spectacular exhibition, *Making Her Mark*, featuring historic works of art by several of the founding women of the Club and curated by Catherine Bert. April will be our annual Open Juried Exhibition with a special emphasis on celebrating contemporary women artists. These special programs coincide with the thirtieth anniversary of Women's History Month in March.

ART CLUB COMMISSION:
The Galleries of the Providence Art Club take a 25% commission on all works sold by Artist Members and Non Artist Members of the Providence Art Club.
The Galleries of the Providence Art Club take a 40% commission on all works sold by Non Members who have been selected to exhibit in our open juried exhibitions.

If you missed the email you can always check Open Calls for information on what's coming up. Be sure to check in with the Gallery Staff to your entry forms.
