

Save the date for our Annual Meeting and Strawberry Festival, June 13

Dante Gabriel Rossetti - Gardening (Spring)

Our president, Kelly Milukas, has asked me to say a few words about our upcoming Annual Meeting. This time-honored tradition, along with the Strawberry Festival, gives us the highlights of the year. The secretary will present the statistics and breakdown of our membership (spoiler alert, our membership is healthy). We will recognize new members, past presidents, life members, and those members who we have lost.

The Club is a very busy place with many committees working hard all year. All members should try to come to read and listen to what has been going on to make the Providence Art Club such a remarkable place. The meeting, as stated in our by-laws, is the second Wednesday of June, so mark your calendar for Wednesday, June 13, at 7pm!

Our founders were smart to include the Strawberry Festival, which will commence as soon as the meeting is adjourned. Everyone enjoys the wonderful strawberry themed treats that Chef Drew and his staff create (my favorite is the Strawberry Shortcake with Chef Drew's secret recipe biscuit, yum). The camaraderie that follows the meeting is always a fun way to catch up with fellow members and friends. The meeting is for members only, but spouses are welcome to join you for the Strawberry Festival following the meeting, which usually lasts about one hour. I hope to see you there!

Your secretary,

Daniel R Mechnig
