ACTING PRESIDENT'S MESSAGE

"...for art culture"

I believe, as did the sixteen founding members, that this concept is what grounds us as artists and patrons of the arts. We look back on our history, rich in artistic expression, which continues to inspire each and every one of us as we move forward on our own creative paths. On February 19th, we celebrated that history with our fifth Founders Day event. Included in the sixteen founding members was Charles Walter Stetson, a self-taught artist who helped shape the way we see, learn and interact with the history of the Art Club. "Walter" as he preferred to be called, shared stories from the past. The reenactment of Stetson, by member Christopher Ratcliff, also included cameo appearances by Sydney Burleigh and George Whitaker.

Another highlight of the month was the "Food as Art" POP-UP with our very own Iron Chefs; Drew, Julia and Scott, who gave a stellar performance as members watched culinary demonstrations and enjoyed a variety of tastings. If you missed it, don't worry, there will be others! As we are on the topic of food, as you enter my studio, there is a bench with an Italian saying, "La Bella Vita". Translation... a beautiful life. Every day we are treated to the beautiful artful cooking by Chef Drew and the elegant creations and platings by his staff. The art of cooking will be even more evident on March 23rd with a special visit by Italian guest Chef, Letizia Mattiacci from Umbria. In her cookbook, *A Kitchen with a View*, Chef Mattiacci says "Use good quality ingredients in simple combinations. Embrace the rhythm of the seasons. Respect the balance of flavors and textures." If you are a lover of authentic Italian cuisine, do not miss this opportunity and reserve early. La Bella Vita!

The months ahead are filling quickly with a series of classes and guest artist workshops from framing, painting, printmaking and photography to professional practices. TECHNIQUE WEEK was so well received last year that we've decided to do it again. Old favorites and new instructors come together for informative workshops on a variety of topics and techniques.

Take advantage of all that our amazing Club has to offer!

Warm regards,

Nancy Gaucher-Thomas
 Acting President, Providence Art Club

P.S. Looking forward to meeting new members and their sponsors at the CHAMPAGNE & CHOCOLATE event on Saturday, March 2. Hope to see you there! Reservations required.

ARTIST NIGHT

Wednesday, March 20, 6:30pm

Audrey Monahan

Providence Art Club Artists in Italy

Join us for an interactive and informative Artist Night focused on the allure of Italy for artists, and the ongoing connections between Italy and the Art Club.

Gallery Manager Michael Rose will present a short talk about the historical connections, looking at Italian-born sculptor Adolfo Apolloni and colorist painter Charles Walter Stetson.

After this brief historical review, Michael will host a panel of current members who have traveled in Italy and created artwork based on their travels: painters Richard Kattman, Madolin Maxey, and photographer Audrey Monahan. Photographs by Ron Rosenstock will also be shared.

A light sandwich buffet will be available. Reserve at www.providenceartclub.org, 401-331-1114 ext. 3 or reservations@providenceartclub.org for buffet: Members and Guests \$15++

POP-UP, DROP IN

Wednesday, March 27, 6-9pm

Thea Ernest

Get Wired with Thea Ernest

Learn to create whimsical wire sculptures! Wire art is like drawing with wire instead of a pencil, however, drawing skills are not required to enjoy this class.

We will practice basic skills and copy some simple designs. When your imagination grows wings, it's time for you to create your own sculpture, with Thea's guidance and feedback, to take home.

Hand tools will be provided to borrow, with wire and a selection of found objects. You are also encouraged to bring found objects of your own.

Invite a friend to join you for this fun class! Members & guests \$15. Reservations not required, but if you plan to attend, please let Angel know at angel@providenceartclub.org or 401-331-1114 x16.

See Thea's wire artwork at www.instagram.com/#62before62
