## ACTING PRESIDENT'S MESSAGE

I am happy to share several of this month's PAC highlights, but first, very importantly — **SAVE THE DATE** for the 138th Annual Meeting and Strawberry Festival, Wednesday, June 12th as we come together for the election of President and new members of the Board of Managers and celebrate our history, our founders and the many strides we have made this past year... AND enjoy the strawberry creations of Chef Drew and his awesome staff.

We can all agree on the professionalism of our staff and the importance of offering opportunities for professional development. Last month several senior members attended a Jonas software training seminar in Wellesley, MA. Jonas is a robust club software system that we have been using for over 8 years that integrates accounting, membership and food and beverage services, used worldwide by over 2,300 clubs in 20 countries. "We found the seminar enlightening, inspiring and thought provoking" — Seb Borges, General Manager

Don't miss the May 3rd deadline for the much anticipated *2019 National Open Juried Exhibition*, juried by Helena Gómez de Córdoba, Associate Curator, Museo de Arte de Ponce, Puerto Rico. In the past a high percentage of selected artists have been PAC members. It's an opportunity to put your best work forward and \$6,000 in prizes will be awarded!

Speaking of prizes, the Providence Art Club will be working with the Pastel Painters Society of Cape Cod for a reciprocal award which will be featured in our Fall Members' exhibition. Thanks to Jeanne Tangney, Pastel Painters Society Awards Coordinator, and Michael Rose, PAC Gallery Manager, for collaborating on this important award.

As summer approaches so does an outstanding lineup of workshops and classes. Professional instructors, local favorites, and others from across the country offer classes in a variety of traditional as well as new media including: collagraph print, pet and wild animal portraiture, paper relief printmaking and creative & professional practice. These classes fill quickly, so sign up soon to hold your space.

Lastly, I'd like to mention the Providence Art Club Scholarship Exhibition 2019 Call for Artists. With support from a very generous member, The Providence Art Club invites emerging artists currently enrolled as art majors and minors in colleges and universities throughout the state to exhibit their work in a special exhibition at the Club. This exhibition will feature prizes, including the chance for a select artist to be the subject of a solo exhibition in the Mary Castelnovo Gallery in 2020. I cannot think of a better way to make a meaningful contribution to the community, and most importantly, aspiring artists. If you know a young student who may be interested, visit the PAC website for additional information and prospectus, and share!

Warmest Regards,

Nancy Gaucher-Thomas  
 Acting President, Providence Art Club

## POP UP, DROP IN

Wednesday, May 15, 6-9pm

Award winning artist Angel Dean will pack up her encaustic studio and recreate it in the Founders Room for an encaustic pop-up event on Wednesday, May 15, from 6-9pm.

Unlike other media that go on wet and then dry, encaustic goes on hot and then cools. While the paint is still liquid, found objects, metal, fabric, and paper can be embedded into the wax. Angel will demonstrate the basics, as well as techniques such as incising, stenciling, transfers, and adding collage elements. If time allows, participants can try their hand at creating a piece. This will be both fun and informative!

Angel is the President of New England Wax, has taught encaustic at the Art Club, and is eager to share her love of this hot medium with you.

\$15 for members and guests. Beverages and light fare will be available at Angell's Lane.

## MEMBERS' NIGHT

Friday, May 17, 6pm

### 230 Years at the Seril Dodge House

with Rob Emlen

The Providence Art Club's Seril Dodge House has had a notable presence on the landscape of College Hill for over 230 years.

In an illustrated talk, our own Rob Emlen will trace the rich history of this venerable house from its modest beginnings as the home of a clockmaker in the 18th century, to its present function as a PAC gallery, offices, and clubhouse.

Rob is Visiting Scholar in American Studies at Brown University. He is a long-time member of our Club and a past president. You won't want to miss this fascinating story of one of our Club's architectural treasures.

#### ENTRÉE

Roasted Chicken Roulade

#### DESSERT

Sweet Pea Spring Gateaux

\$30++ for members and guests
